SWINE SHOW

1. This is a bracket style show. Brackets can be broken up by breed and sex.
2. Each class will be four animals. Two will advance into the next round and two will be eliminated. Each round will continue with classes of four (always two advancing) until a Top Four of each breed is reached. For the Champion Drive, the judge will then review each Breed Champion again and pull only four up to compete for Champion, Reserve, Third and Fourth Overall.
3. Animals will show by breed (all breeds offered). Purebred Gilts will be shown by age . Crossbred Gilts and Purebred Barrows will be shown by weight.
4. In order to keep a clean bracket style, the first few rounds of your breed classes could have more than 4 animals. We should have clean brackets when we get to the final 16 entries of that breed. Initial class sizes will depend on the individual show and number entered. Each breed will vary.
5. If there is an overwhelming number of entries for one particular breed, that breed may be split into divisions.
6. For shows with large entry numbers, they will be split between 2 days and 2 different judges. Walton Webcasting will provide live commentary throughout the entirety of the webcast.
